It is my CDO Friday but I can come in to load and pack since it looks like rain tomorrow.

Do all of you work on Friday? The pump issue has put us behind schedule; packing likely will be Thursday and Friday....

I'd like us to work the Nomex Green Bay Packer uniforms at least the first day. I don't think Radford will ask us to wear special coveralls but things will be less lax the first day and I'm hoping the Nomex will suffice.

I've not gotten updated travel documents yet. I assume none of you have either.

Some rain in the forecast for Radford Mon – Wed. Temperatures are 75 – 55 F.

Dale, did you get your “training” from Marcus? I don't know if he'll have the car for us Thurs or Fri but remind me to ask tomorrow.

Brian
